2. **Mary McClintock-2** (Robert McClintock-1). She was born Oct 1824 in Ireland. She died on 29 Mar, 1914 in Pittsburgh, Penn, USA.

Notes for Mary McClintock (AndyB):

- There is no doubt in my mind that she is a McClintock.
- James Devitt talks about her and her life in Ireland. He talks about her coming to Pittsburgh. My great uncle Thomas Bow's middle name was Lockhart. I have been researching this family for 15 years. My suspicion was that her maiden name was McClintock. James Devitt confirmed this suspicion.
- If that is not enough, someone in the mid-west has made an inquiry to Ancestry.com about William Lockhart and Mary McClintock.
- According to the 1900 census, it was indicated that she had 14 children, 9 still living. It will take time to sort these children out.
- I have no evidence to say that she was a sister to Jane McClintock. But, the relationship between the McKee children and Lockhart children in Pittsburgh was very close.
- After Mary's husband died in 1869, she sold her farm to her sister in law. She came to Pittsburgh in 1872.
